

FOOD AND DRINK MANUFACTURING SERVICES OVERVIEW

DID YOU KNOW THAT YOU CAN SEE A MASSIVE RETURN ON INVESTMENT FOR EVERY POUND YOU INVEST IN WORKPLACE SAFETY AND HEALTH?

- Taking the time to protect your employees will ensure that your business stays productive and avoids injury, illness and liability claims. Our clients have access to a range of safety training resources, including an industry-specific safety manual, training programme materials and various employee-facing documents.

IS YOUR BUSINESS PREPARED FOR POTENTIAL RISKS AND DISASTERS?

- There's a wide range of risks present in the food and drink manufacturing industry. Whether it be a preventable risk, such as employee injury during production, or an unexpected disaster, such as a supply chain shortage, Holloway & Gauntlet Insurance Services can help keep your business successful with our library of documents, including a risk management series, industry-specific cover overviews, customisable policies and detailed checklists.

WILL YOUR BUSINESS PASS ITS NEXT HSE INSPECTION?

- Without the proper health and safety standards in place at your facility, your business risks hefty fines and reputational damage in the event of an unsuccessful HSE inspection. We can help ensure your business meets the necessary standards with our monthly HSE newsletter and various workplace health and safety guides.

SAFETY GUIDANCE

Educate yourself and your employees about relevant policies and procedures that support a safety-conscious work environment with our industry-specific safety manual, training programme materials and Workplace Health and Safety Guide series.

RISK MANAGEMENT

Be prepared for the worst with a little help from our wide variety of risk management resources. Use the industry-specific Risk Insights series to learn about relevant risks and best practices to mitigate them. The Cover Overview documents allow for an in-depth understanding of specific cover considerations for your business, while our detailed, industry-specific checklists help ensure a safe and successful work environment.

HSE NEWSLETTER

Keep health and safety top of mind with our HSE Safety Cornerstones newsletter. Each month, learn about timely health and safety risks that your employees may be exposed to and how they can adequately protect themselves, as well as the latest in HSE fines and prosecutions.

EMPLOYEE COMMUNICATIONS

Make safety top of mind for your employees with our Safety Matters and Playing it Safe series, which both cover a variety of industry-specific topics. Each article offers an in-depth understanding into a safety topic that your employees may encounter and how you can avoid unnecessary risks.

CUSTOMISABLE SAMPLE POLICIES

Use the provided sample policies to help your organisation create its own bespoke policies. Each sample policy outlines what content and information must be included to help alleviate any guesswork.
